

## **School Annual Education Report (AER) Horizon High School**

January 12, 2026

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2024-25 educational progress for Horizon High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Nuo Ivezaj for assistance.

The AER is available for you to review electronically by visiting the school's website <https://www.hamtramckschools.org/our-schools/horizon-high-school-adult-education/about-our-school/reports/> or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2024-25. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2024-25. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2024-25. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school is a Comprehensive Support and Intervention (CSI) school. As a CSI school, we are faced with several challenges. Students entering our program are 16-19 years of age. Many of these students have not attended school regularly prior to enrolling with us due to different circumstances in their lives. In order to accelerate student achievement and create a culture of continuous improvement, differentiated instruction and a leveled literacy program is at the heart of our curriculum.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL.

There are several ways students enter into Horizon Alternative Education; open enrollment based on age appropriateness, transfer of over-aged high school students and board of education approval of discipline referrals.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN.

We are continually implementing the various goals and objectives of the school improvement plan.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL.

Horizon Alternative Education services 16-19 – year old students through the use of teacher instruction and virtual learning. Students attend school 5 days per week 6.0 hours per day.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL.

The core curriculum can be found in the main office and can be accessed on the district website ([www.hamtramckschools.org](http://www.hamtramckschools.org))

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS.

We utilize data from iReady, M-Step, PSAT and SAT tests results to assist and improve teacher instruction.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES.

Approximately 15% of our parents attend conferences.

7. FOR HIGH SCHOOLS ONLY ALSO REPORT ON THE FOLLOWING:

a. THE NUMBER AND PERCENT OF POSTSECONDARY ENROLLMENTS (DUAL ENROLLMENT) 0%

b. THE NUMBER OF COLLEGE EQUIVALENT COURSES OFFERED (AP/IB) 0%

c. THE NUMBER AND PERCENTAGE OF STUDENTS ENROLLED IN COLLEGE EQUIVALENT COURSES (AP/IB) 0%

d. THE NUMBER AND PERCENTAGE OF STUDENTS RECEIVING A SCORE LEADING TO COLLEGE CREDIT 0%

Horizon High School looks forward to being a second chance for those students who are having difficulty in a traditional educational setting. It is our mission to assist in alleviating our students' educational barriers by providing a nurturing and safe learning environment. Special emphasis is being placed on students' academic success as well as their social growth.

Sincerely,

Nuo Ivezaj - Principal  
Horizon High School
